

## REDWOOD HIGH SCHOOL MUSIC BOOSTERS

# October Donation Drive

To help support 175 music students and 5 music programs, our goal is to raise **\$15,000** from member donations.

Think of Music Boosters as a lifeline just for Redwood Music. With your donation, we can....

- Buy new instruments and repair current ones
- Purchase essential instrument supplies such as strings, reeds, etc.
- Purchase sheet music
- Add production and recording equipment to our growing sound engineering program
- Take off-site trips to SF Symphony and middle school outreach performances
- Small group lessons and guest teachers
- Guest performances
- Provide support for the Senior Retreat and the Music Annual Awards Banquet

Although the Tam Unified District and Redwood High School Foundation generously provide core funding for music at Redwood, the Music Boosters provide support and funds for day-to-day incidentals, as well as special, value-added activities available to all music students.

### Support Redwood High School Music by Becoming a Redwood High Music Booster

As a Redwood parent, you already know about our renowned music program that provides our students with challenging opportunities to perform, compose, arrange, collaborate, and study music across a wide array of styles and forms. Led by John Mattern, Music Program Director, and a team of top-tier professional musician associates, students of the program hone their talents and learn new skills and techniques while focusing their passion with professional rigor.

### Boosters are Parents, Students, Volunteers and Music Lovers - Just Like You

Redwood High Music Boosters is a volunteer 501(c)3 organization committed to supporting the musical education of all Redwood music students. Through informal, monthly meetings, we collaborate with Mr. Mattern to plan and support his vision for the musical calendar. Bring your skills and experiences, as there are many ways to help out, mostly on a part-time or as-needed basis. And this is all with the added benefit of meeting parents of other Redwood musicians, who are just as proud and enthusiastic about student success as you are. The easiest way to keep up with the Music Department - besides trying to pry it out of your kid - is to attend Music Booster meetings, usually held the first Monday of every month at 5:00pm in the music room. Email reminders are sent prior to meeting dates.

### Donate Your Time and Talent and More

We appreciate our volunteers and we welcome your talents! Fundraising, Night of Blues, Show Concessions, Middle School Outreach coordinators, and Social Media are just a few of the areas that rely on volunteers. If you would like to learn more, please contact us at [rhsgiantsmusic@gmail.com](mailto:rhsgiantsmusic@gmail.com).

**Our parent & family donations are our primary source of funding!** Please consider making a tax-deductible donation today. The average donation is **\$225 per family**. If at all possible, please consider a higher donation as there are families who are not able to contribute. Donations of any amount are gratefully accepted. Every dollar donated through Redwood High Music Boosters stays inside the Music Department where it makes an *immediate* impact. **To donate by credit/debit card, please go to our website [www.redwoodhighmusic.org](http://www.redwoodhighmusic.org) and click the [Donate](#) button located on every page. Or you can send a check payable to Redwood High Music Boosters, c/o Katheryn Baldwin, Treasurer, 160 Tioga Lane, Greenbrae, CA 94904. Thank you!**
